## Real Social Change

NC STATE UNIVERSITY INSTITUTE FOR  
NONPROFITS  
SOCIAL INNOVATION + ENTREPRENEURSHIP

# A new course committed to keeping it real.

Whether inspired to serve society as an entrepreneur or wish to use the entrepreneurial mindset for social impact, this course is committed to keeping it real.

## What you will learn

Students will learn skills to become social change makers, and explore topics that include self discovery, human centered design, systems thinking, and innovation processes while working to identify real opportunities for social impact.

Real Social Change is open to all majors, and promotes a multidisciplinary experiential learning environment. The course provides students with tangible learning outcomes for future personal growth to do social good.

### Real Social Change:

An imperative to unlock our inner entrepreneurial mindset for social justice and prosperity of our community, nation and world.

- Social, Environmental + Cultural Grand Challenges
- Social Justice and Sustainability
- Economically viable business models
